

code.energy.EnergySegment.
__add__

code.energy.EnergySegment.is
_above_one

code.energy.EnergyFunction.evaluate

```
graph LR; A["code.energy.EnergySegment.__add__"] --> C["code.energy.EnergyFunction.evaluate"]; B["code.energy.EnergySegment.is_above_one"] --> C; C --> C;
```

The diagram illustrates a sequence of operations. On the left, two white rectangular boxes with black borders contain the text 'code.energy.EnergySegment.__add__' and 'code.energy.EnergySegment.is_above_one'. Blue arrows point from the right side of each box to the left side of a central gray rectangular box. This central box contains the text 'code.energy.EnergyFunction.evaluate'. A blue curved arrow originates from the top right of the gray box and points back to its top left, forming a self-loop.
