```
graph LR; A[code.devilCircles.DevilBuilder.update] --> D[code.simple_1CTA.event.__init__]; B[code.nested_loops_builder.NestedLoopsBuilder.update] --> D; C[code.stairs_builder.StairsBuilder.update] --> D;
```

The diagram illustrates a dependency or call relationship. Three source boxes on the left point via blue arrows to a single target box on the right. The target box is shaded gray, while the source boxes are white with black borders. The source boxes are arranged vertically, and the arrows converge on the target box.
