

code.devilCircles.DevilBuilder.build

```
graph LR; A[code.devilCircles.DevilBuilder.build] --> B[code.devilCircles.cstr_]; B --> B;
```

The diagram illustrates a function call. A light gray box on the left contains the text 'code.devilCircles.DevilBuilder.build'. A straight blue arrow points from the right side of this box to the left side of a darker gray box on the right, which contains the text 'code.devilCircles.cstr_'. Above the darker gray box, a curved blue arrow starts from its right edge and points back to its left edge, indicating a self-call or a loop.

code.devilCircles.cstr_
